From the President

Hello Everyone,

I hope you guys have had a great summer and have been able to stay cool for the most part.

It's funny that ever since school started again in August, I see a lot more smiling and happy faces. LOL

We had some great events this summer starting with going to La Purisima and The Mission Club in Solvang then our 2-day Club Championship and finishing off last Sunday our Partners Better Ball (which Jason Dubrovo and Eric Riddle won).

It was a close match, it went down to the 18th hole. I made a 40-foot putt which put the pressure on those guys. Eric had to sink a 10-foot putt to go into a sudden death playoff. Actually, that's not true. Eric and Jason kicked our butts and took us out on hole 15.

It's been great seeing people sign up earlier for the tournaments which really makes our job easier as far as setting things up. Remember that for the rest of the year we are going to keep having Brian and his crew cater lunch for us in one of the banquet rooms after every home tournament so make sure to come in for some food after your tournament round.

See you all at our September Tournament.

Jorge L. Camacho, KMGC President

Upcoming

- **Skins Game followed by General Meeting Tues. Sept 12 4:30 p.m.**
- **Home Tournament September 17 (see page 4 for more information from Anthony.)**

From the General Manager of Knollwood

So the heat is here and we're still green! Chad de Korte, the superintendent here, and his team have done a fantastic job in maintaining the golf course over the summer. We get many comments each and every week from long time Knollwood players telling us that they cannot remember the course in such great shape – that is all down to our great maintenance team.

The Knoll Bar & Grill has been inoperable for the last 2 months, but will re-open on Friday, September 8th. We will be having an expanded program of food service and entertainment including live music, NFL football nights, happy hour and bar food specials in the evenings etc. Stay posted for the improvements we are making at Knollwood to make this the best place for you to spend your time.

Kindest regards,

Ian Church

President's Cup Match Play Ladder 2017

18 hole Match Play with strokes off low handicap player (use current months index & slope accordingly). If only one player wishes to play from the White Tees, he must adjust his handicap by the difference in the course ratings of the different tee boxes. Matches can be played anywhere that is mutually agreed upon (default is Knollwood). Agree on tie breaker before round starts (sudden death, 3 holes then sudden death, replay round, coin toss, etc..) Matches are for \$20.00 per match and paid to the winner by his opponent. (If a match cannot be played and one player forfeits, no money needs to be paid.). Matches must be completed on or before the monthly home tournament. Let me know if you would like to play your match at the next home Tournament and I'll put together. Please call or text me at 805-231-3735 or e-mail at 1stpoint@sbcglobal.net with the results of your matches or any questions. Thank you for participating. Good luck to all & hope you have a great time!

Within the Rules

The question was how many strokes do you count if a ball is hit twice on a stroke. It came up after the last round of the Club Championship. Rule 14-4 says "If a player's club strikes the ball more than once in the course of a stroke, the player must count the stroke and add a penalty stroke, making two strokes in all."

In other words, no matter how many times your club hits the ball during a stroke, you add 2 strokes to your score for the hole - one for the stroke at the ball, and one for the penalty.

From your Handicap Index Chair 9-1-17

by Hewitt Hornbeck

Congratulations to all the winners and participants in the two day Club Championship Tournament. There were a few mistakes made in recording the results and this generates a new BAD BOYS list. Some did not record their scores as a Tournament as required and other members did not adjust their score by the proper amount.

A reminder, handicap indices of 9 or less can take no more than a double bogey
between 10 and 19 are allowed a 7 on any hole
20 to 29 are allowed an 8 on any hole
30 to 39 are allowed a 9
Any scores larger than the allowed must be subtracted from the gross score before recording.

I have corrected the problems for most all members and they should be in this month's handicap index.

BAD BOYS INCLUDE:

- ARMANDO GONZALEZ
- UDEKA JENKINS
- JASON LIYANAGE
- NICK PERERA
- ROBERT SPARKS
